National & World Stage

We invite you to join the Business Incubator in recognizing a few outstanding accomplishments.

Sigma Labs on the NASDAQ

The Santa Fe Business Incubator helps local entrepreneurs grow successful businesses. These emerging companies create new jobs, increase the tax base and diversify our economy, enhancing the quality of life for all in our community.

To collaborate, volunteer, or learn more about the Incubator email office@sfbi.net.

Congratulations to Founder and CEO Mark Cola and everyone at [Sigma Labs, Inc.](#) on joining the NASDAQ.

Bruce Krasnow of *The Santa Fe New Mexican* led with this in a story earlier in the week: "Apple, Amazon ...Sigma: Small Santa Fe software firm joins NASDAQ. [Read more at this link.](#)

BioDirection Receives Award

SFBI client company [BioDirection, Inc.](#) received best overall abstract award in neurotechnology from more than 800 submissions at the 12th

SFBI sponsored by

World Congress on Brain Injury. Congrats on the International acclaim!

SFBI Showcased by EDA

On March 31 the U.S. Commerce Department's Economic Development Administration went live with a success story that featured SFBI. [See the EDA case study here.](#)

Kevin Robinson-Avila of the Albuquerque Journal covered the EDA recognition of the Incubator and the ongoing growth at SFBI and its Bio-Science lab. [Read the full article:](#)

“The caliber of our client companies, in scale and numbers grows consistently. At the same time, our staff’s capacity and emphasis on programs is expanding.”

What an exciting time for all of us at the Santa Fe Business Incubator.”

–R. David Franklin, SFBI Board Chair

SFBI Participates in INBIA - International Business Innovation Conference

SFBI Program Director Sean O'Shea gave a presentation on the Incubator's new category and progression specific programming model at the International Business Innovation conference held in Seattle from March 25 - 29. **SFBI Board member Michele Huff** also presented a session on Intellectual Property Rights for the 21st Century at the conference.

Marie Longserre, Sean O'Shea and Michele Huff joined colleagues in Business Incubation from

across New Mexico and more than 500 attendees from over 40 countries at the INBIA International Innovation Conference.

Marie Longserre, CEO and SFBI Board Member
Michele Huff at the INBIA conference.

It is not every day we have so much good news and news of such a national and international scale. Please help us spread the word. Thank you!
